

rainjoy

LUMOS

in today's time when life is fast
paced and there is a constant
chase of meeting timelines

we barely have time for ourselves
and to recalibrate our lives

healthy sleep and a fresh start
to a day is what defines our day

feeling fresh and rejuvenated is
state of mind which come alive
with start-of-art Rainjoy Lumos

the genesis of life needs two elements

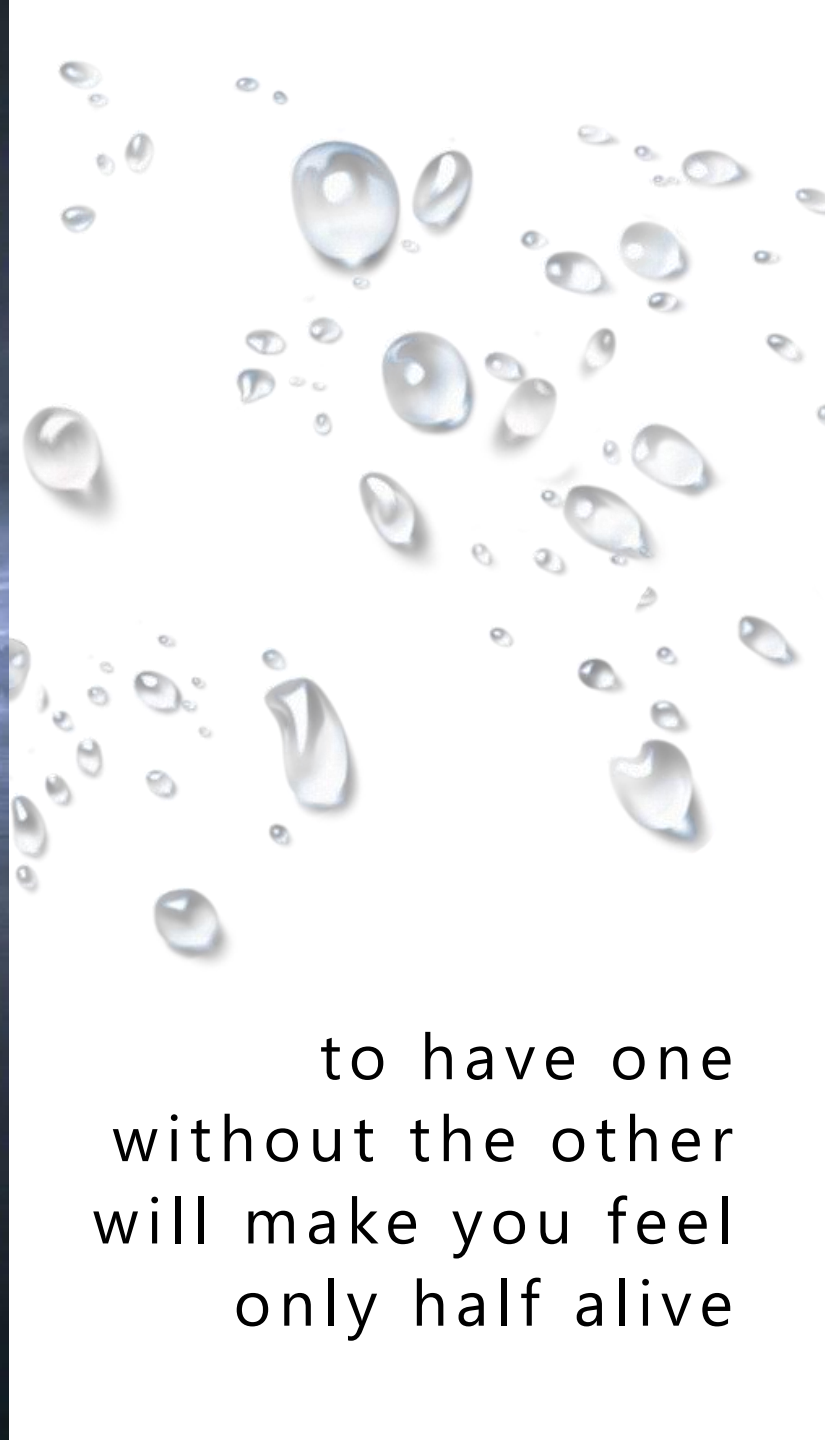

the evolution of life commenced
with 2 powers:

the power of light
the power of water

it is when light
and water
interact, life
emerges,
seeded with
living being.

thus
defining the
elements of
nature

to have one
without the other
will make you feel
only half alive

for an inspired experience,

for a true mind, body and
soul rejuvenation

water must connect light

Artize Introduces - Rainjoy LUMOS

where water combines light,
with its waterfall, mist, rain &
led technology.

“ a symphony of water and light,
creates a magical showering
experience for mind, body and soul ”

RAINJOY LUMOS SHOWERS

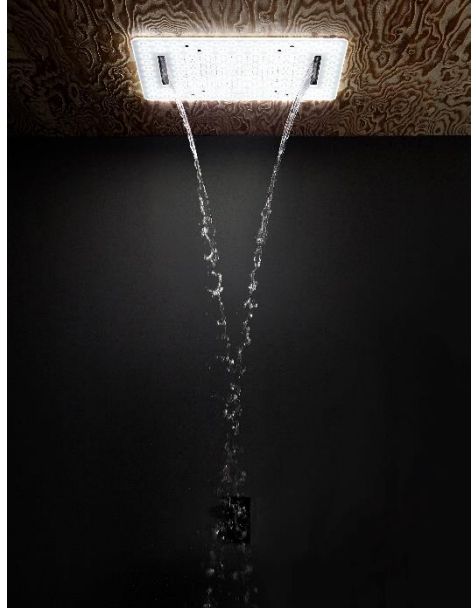

help immerse your body in a heavenly water giving you an experience of nature's downpour with a source of natural light – which truly defines an exquisite shower experience

product rationale

Unlike the traditional bathroom system where light does not spread towards shower area and the moisture deters the light exposure making the shower area looks dull.

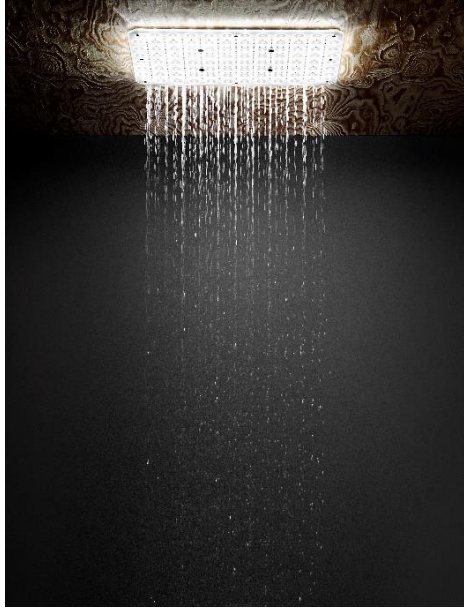

Jaquar Rainjoy Lumos showers enhances the mood and experience, helping stay longer in shower

product function

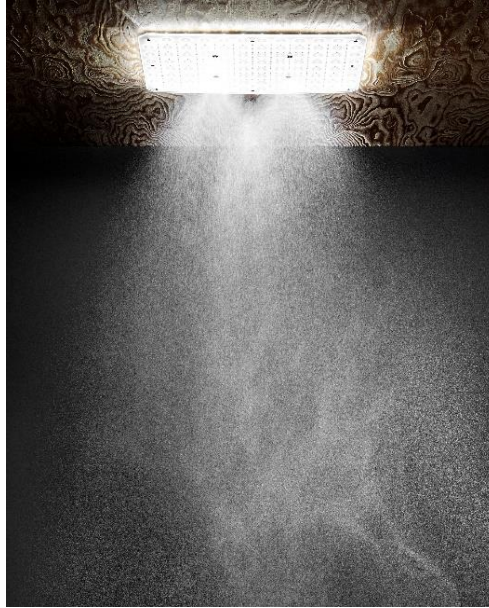

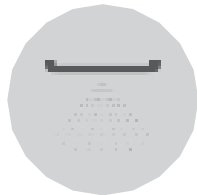

waterfall

the finest in extra large, concealed, overhead showers

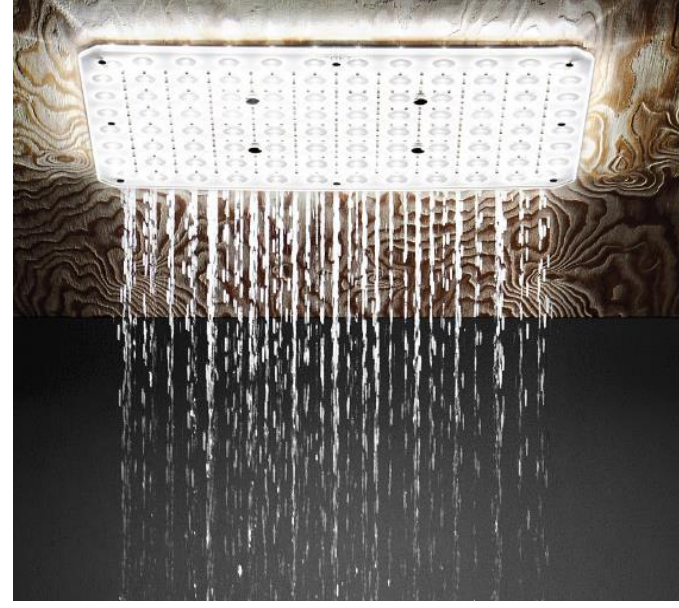

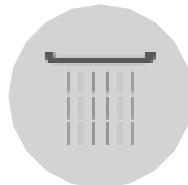

rain shower

welcome the emptying of the clouds with arms wide open

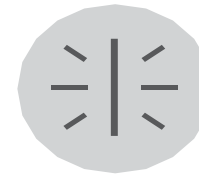

mist

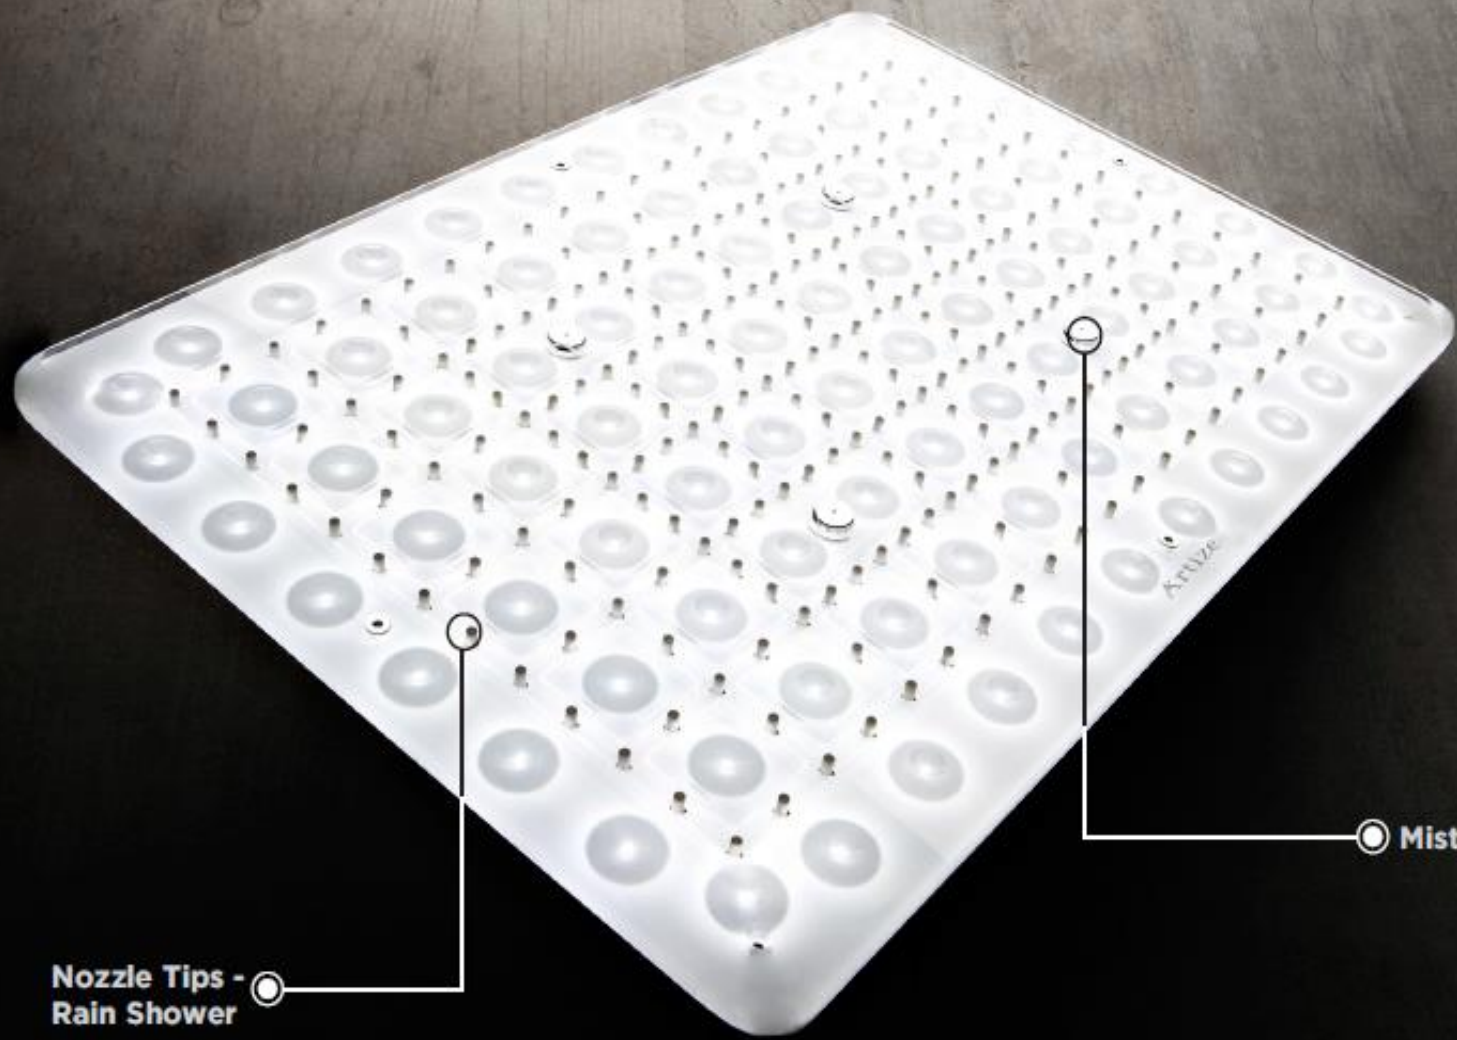

lose yourself in the kiss of a million droplets a minute

LED

a shower that turns into a healing light the mood with a choice of chromatic lights – further helps in relaxing and energizing

1

Light up the LED shower

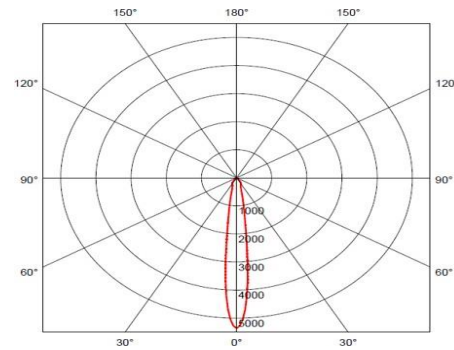

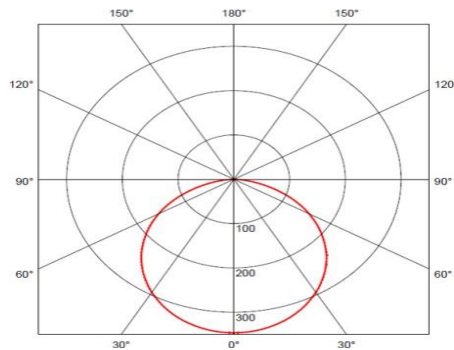

○ Light Distribution

Higher, efficiency of LED Light.

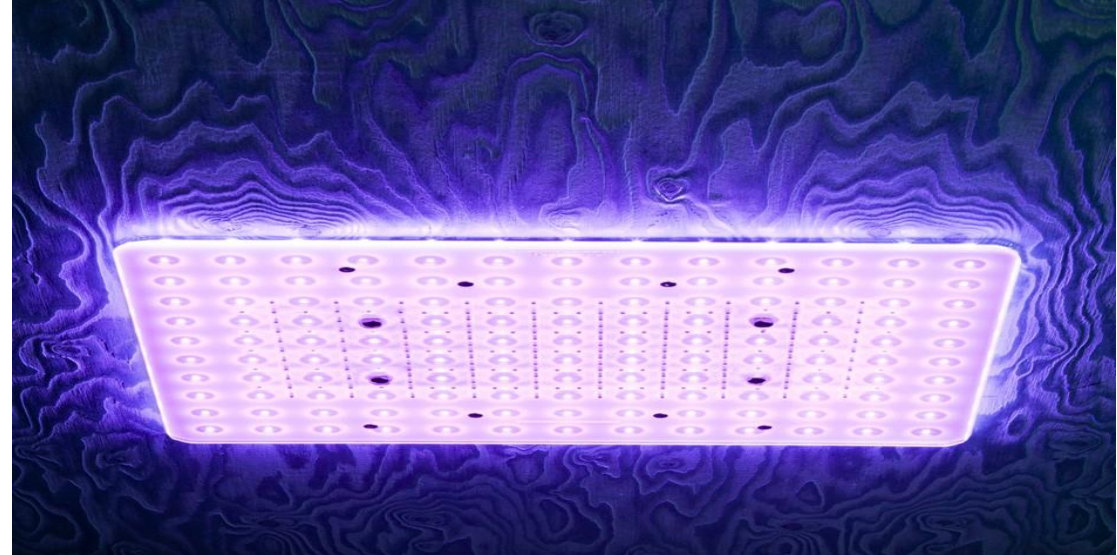

The way of Light Distribution is patent.

The luminary efficiency is 71% which is almost 20% higher than other LED showers.

It maximize the healing effect of Chromotherapy

the advantages

2

Remote Control

- **Light & Easy**

Each Rainjoy **Lumos** shower comes with the convenience of cordless, waterproof remote control which lets you customise your chromotherapy experience. With a simple press of a button, you can choose a relaxing color to shower in. Or switch to an energising, pulsating, multiple color experience. The colors also change at a speed that you control.

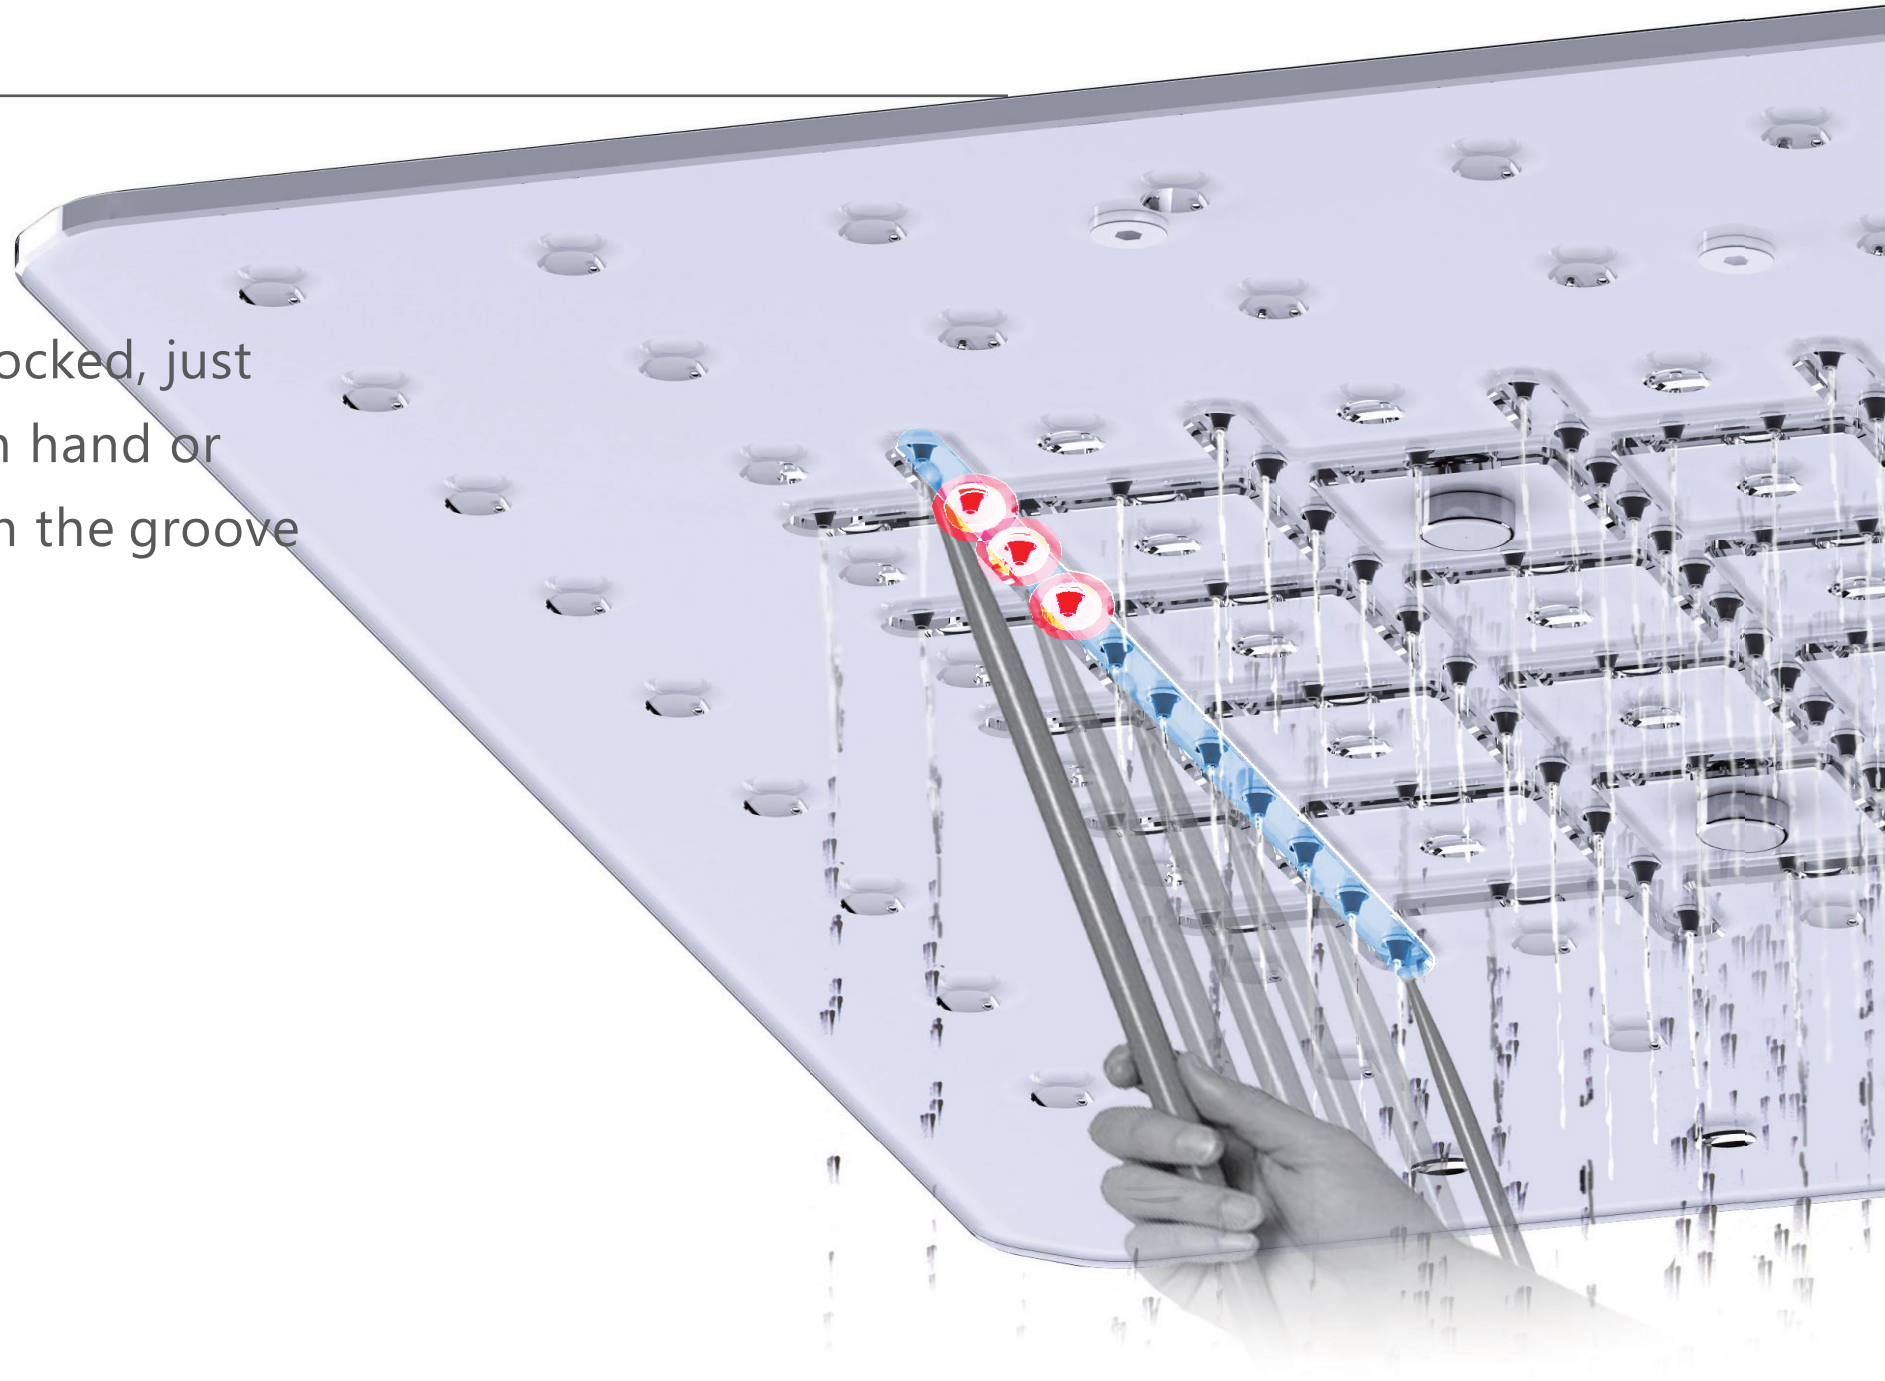

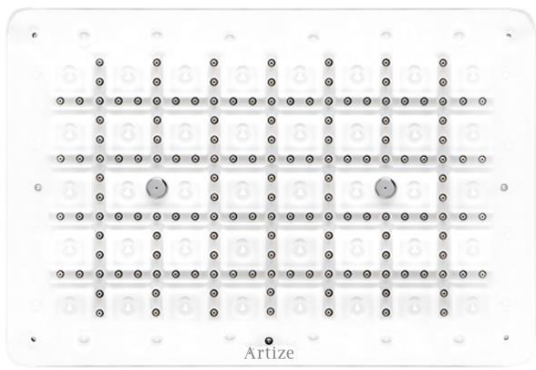

3

Easy to clean

- **Just wipe it!**

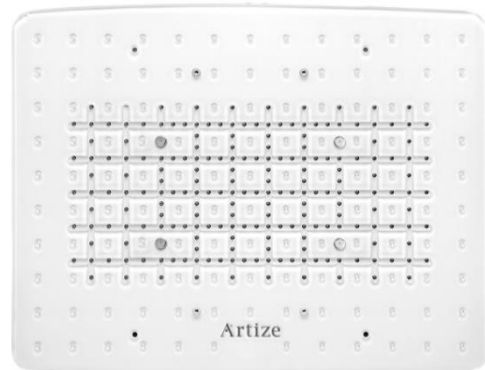

When Nozzles get blocked, just wipe the nozzles with hand or cleaning tool through the groove of nozzles.
